“(aa) any information submitted by the registrant about any individual given responsibility by the registrant for the discharge of the duties imposed on the registrant by or under this Act, and”.

Modification of section 11 of the 2016 Act

4. In section 11 (information returns), in subsection (5)(b), after “(7)(a)” insert “and (aa),”.

EXPLANATORY NOTE

(This note is not part of the Resolution)

The Lobbying (Scotland) Act 2016 (“the Act”) sets out a registration regime for “regulated lobbying”, as defined in the Act. In doing so it makes provision for a lobbying register which is operated by the Clerk of the Scottish Parliament (“the Clerk”). Part 2 sets out the content of the register and the role and functions of the Clerk in operating it. This includes a requirement that the register contains specified information about each registrant’s identity (section 4). Section 5 sets out that information about identity. Section 7 sets out the additional information that the register must contain.

Paragraph 2 modifies Part 2 of the Lobbying (Scotland) Act 2016 by adding to section 5 that the information about the person’s identity must also include an email address and, if available, a telephone number. The type of email address varies depending on the type of person (e.g. individual, company, partnership or other person) but must be an email address to which, in the ordinary course of events, emails sent by the Clerk would be expected to come to the attention of a person acting on behalf of the registrant.

Paragraph 3 makes provision for further additional information that may be provided by the registrant for inclusion in the register. That further additional information is such information as may be provided by the registrant about any individual given responsibility by the registrant for ensuring compliance with the requirements of the Act.

Paragraph 4 makes a consequential amendment.

These amendments aim to enable the Clerk to improve communication with registrants, for example, to provide updates, notices and reminders that are important for registrant. They are intended to assist the Clerk in the discharge of the duties and functions imposed by or under the Act.

***[S6M-20811](#) James Dornan: High Court Decision on Palestine Action**—That the Parliament welcomes the decision by the High Court that the proscription of Palestine Action was unlawful; believes that, in light of this judgment, all remaining charges relating to supporting Palestine Action should be dropped by the Crown Office and Procurator Fiscal Service and that any convictions secured in such cases should be quashed; further believes that the decision to proscribe Palestine

Action was not made in good faith but was instead meant to deter public protest regarding the alleged genocide by Israel in Palestine, and calls on those involved in making that decision to consider their positions.

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 2.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.
