Motions and amendments are usually printed the day after lodging. When an amendment is lodged, then the original motion will be republished alongside it.

Motions and amendments can be published with symbols:

- * before the number indicates publication for the first time
- *...* around a section of text indicates changes to previously published material
- R indicates a member has declared a registered interest

The Parliamentary Bureau periodically deletes motions or amendments that are over six weeks old and not scheduled for debate.

Questions regarding this section should be directed to the Chamber Desk.

Members' Business motions that have achieved cross party support

[*S6M-13840](#) **Siobhian Brown: Animal Welfare Sentencing and Public Protection**—That the Parliament recognises what it sees as the serious harm caused by animal cruelty, neglect and illegal breeding; notes concerns raised by animal welfare organisations regarding the consistency and proportionality of sentencing in animal welfare cases; understands that many cases involving the welfare of pets and farm animals are dealt with under summary procedure, limiting the penalties available under the Animals and Wildlife (Penalties, Protections and Powers) (Scotland) Act 2020; notes what it sees as the lack of specific sentencing guidelines covering these offences; further notes the view that clearer guidance and greater awareness of available powers would support more consistent sentencing that reflects the severity of the crimes; acknowledges calls for stronger monitoring and enforcement of disqualification orders, including consideration of a national animal offenders register to improve information sharing between agencies, and notes the importance of continued partnership working between the Scottish Government, justice partners, the Scottish Sentencing Council, Police Scotland and animal welfare organisations to support effective sentencing and protection for animals and the public in Midlothian South, Tweeddale and Lauderdale and across the country.
