Motions for debate

*[S6M-13850](#) **Clare Adamson: test with a meeting date same as the meeting**—That the Parliament test

*[S6M-13847](#) **George Adam: Reimbursement of Members**—That the Parliament, in exercise of the powers conferred by sections 81(2) and (5)(b) and 83(5) of the Scotland Act 1998, determines that the Reimbursement of Members' Expenses Scheme, which was agreed to by resolution of the Parliament on 2 March 2021, be amended to:

(a) in paragraph 4.3.5, delete “the“ where it appears at the beginning of the fourth line and delete “members concerned” in that same line and insert instead “those members who establish a local parliamentary office”;

(b) delete “When” at the beginning of paragraph 4.3.6 and insert instead “Subject to paragraphs 4.3.9 and 4.3.10, when”;

(c) insert after paragraph 4.3.8: “4.3.9 Where one or more regional members, returned from a registered political party’s regional list, do not establish and run a local office the limit of entitlement to office cost provision of those members remaining who do establish and run a local office, in the circumstances set out in paragraphs 4.3.4 to 4.3.7, will be recalculated as though the member or members who do not establish an office had not been returned on that registered political party’s regional list.

Number of Regional Members original returned on regional list	Number of Members not establishing a local office	Number of Regional Members recalculations subsequently based on
1	2	3
2	5	6
6	7	8
8	8	1
7	4	5

4.3.10 Should a member, who has previously not established a local office, decide at any subsequent point to establish a local office then all of those members returned from a registered political party's regional list who establish a local office will require to share a local office as set out in paragraphs 4.3.4 to 4.3.7 and those members' entitlement to office cost provision will be recalculated in accordance with paragraph 4.3.9 from the point of establishing that shared office.”;

(d) renumber paragraphs currently numbered as 4.3.9 to 4.3.13 to paragraphs 4.3.11 to 4.3.15 and amend any references to those paragraphs to take account of the number change accordingly; and

(e) insert after paragraph 4.4.1: “4.4.2 The above calculation will be based on the number of members originally returned on the regional list for the political party, taking no account of any change made to calculations for those members who do establish and run a local office as set out in paragraphs 4.3.9 and 4.3.10.”

Member's Bill proposals

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no statement is made that the Scottish Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at [Proposals for Members' Bills/Session 6 Proposals](#):

Progress of Legislation

A list of all Bills in progress can be accessed via the website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
