I move,

That the Parliament believes that illegal immigration must be stopped because of the damaging impact on public finances and local communities; recognises that the Scottish Government's decision to suspend local connection rules in relation to homelessness provision back in 2022 has contributed towards attracting asylum seekers to Scotland at an unsustainable level, and calls on the Scottish Government to immediately reverse this decision.

Meeting closed at 09:20.

This is a draft *Official Report* and is subject to correction between publication and archiving, which will take place no later than 35 working days after the date of the meeting. The most up-to-date version is available here:
